

**American
Red Cross**

**ARC - Wilderness First Aid Basics...
for Scouts and Scouters, Outdoorsman,
May 15th and 16th, 2010 - Location Camp Wisdom**

The American Red Cross *Wilderness First Aid Basics* (WFAB) program is an outdoor oriented first aid training program. This is a minimum 16-hour first aid course for backcountry situations when EMS is not readily available.

The "Wilderness First Aid Basics" program is designed especially for High Adventure Back Country or When Help is Delayed situations. Typical students include Venturing Crews, Venture Patrols and older Scouts as well as Scouters supporting an advanced outdoor "high adventure" program. Any outdoors enthusiast is welcome.

The course includes classroom presentations and skills practice as well as outdoor activities including realistic scenarios and other problem solving opportunities. This program will be held as an overnighter at Camp Wisdom – camping space is available for Friday and Saturday evenings. The course fee is \$75.00 per person, which includes: course materials, Saturday lunch and dinner, and Sunday breakfast and lunch. **Registration and fee must be received by May 3, 2010.**

NO WALK-INS - Class Starts Saturday at 7:45 AM. Sign in starts @ 7:15 AM

Those who successfully complete this class will receive a "Wilderness First Aid Basics" card and, if current in CPR and 1st Aid, will also receive a "When Help Is Delayed" card. The class has no prerequisites; however, it is highly recommended that you are current in American Red Cross First Aid and Adult CPR.

Attendance at this class is recommended for mature individuals fourteen and older. All Scout youth participants must have Scoutmaster or Unit Leader's recommendation. Non-Scout youth must be accompanied by a responsible adult. This class requires a mature attitude and is physically challenging... and a lot of fun! This special program is being led by Red Cross Instructors from the Troop 1000 First Aid Team. www.T1000.org.

NOTE: All Philmont crews starting in 2009 are required to have a WFAB trained individual in their crew. Download a great Wilderness First Aid article from the March-April 2002 issue of Scouting at <http://www.scoutcpr.org/documents/ScoutingPageWFAB.PDF>

MANDATORY - Registration & Payment must be received by May 3, 2010. Class size may be limited so register early.

Send payment (checks (\$75) payable to "Troop 1000") to: George Leon

4625 Home Place, Plano, TX 75024 email: gbleon@verizon.net
